# WELCOME TO THE WESTERN DOWNS LOCAL COMMUNITY DIRECTORY

This directory has been brought to you by Western Downs Regional Council as a community resource to connect the community in the Western Downs area.

My Community Directory is an Australia-wide online searchable directory for everything from hobbies to health, education and environment.

Community groups, organisations, clubs, not-for-profits and essential services providers can list their information and submit events for FREE. Once registered, organisations will be able to manage their listings, ensuring they are accurate and up to date with detailed descriptions of what their organisation does, provide links to their website and social media platforms, list upcoming events and advertise for volunteers.

The purpose of this resource is to provide you with an easy way to see all of the information listed in the directory for the Western Downs Community. The online version of this document is updated each night with the latest up to date information available from the My Community Directory platform.

You can also update your own information by logging in to My Community Directory yourself at [mycommunitydirectory.com.au/Account/Login](http://mycommunitydirectory.com.au/Account/Login).

If you would like to see events that are happening in the area or you are an organisation who would like to list events yourself for free, visit **My Community Diary** to create your listing.

Event and directory information is also available on the *Access My Community App* available for download for free on iOS or Android devices.

We hope that you find this a valuable resource to connect with your local community.

## A MESSAGE FROM THE MAYOR

Our community groups, sporting clubs and not-for-profits are vital in ensuring our region remains connected, with energy and ideas that support our vibrant, active communities.

This free Community Directory is an important resource to help residents and visitors gain access to the services important to them - in one convenient location. It's also an opportunity for our groups to stay connected and share new and exciting initiatives for our region.

Our community members are the loudest advocates for what's great about the Western

Downs and I encourage you to get involved in your local town and be a part of our vibrant, country lifestyle.

To our volunteers and not-for-profits, I thank you for your ongoing contribution to our community and I trust you will find this resource beneficial and engaging.
